

# ROGUES' BANQUET

*Limited Edition*

## Fruity, Creamy & Luxurious

*Above All, Share & Enjoy: our mantra since 2000.  
In these challenging times, we would rather speak of  
kindness, community and creativity. Rogues' Banquet  
was conceived as our first celebratory whisky in our 20th  
anniversary year; when the time is right to open a bottle,  
to share and enjoy it, we will be with you in spirit.*

### FLAVOUR PROFILE

Rogues' Banquet boasts flavours of softened tropical fruits, stem ginger and pastry cream. Fragrant yet full-bodied, it has a long and satisfying finish.

### SERVING

Reserve for future gatherings with those who are special to you, before pouring with a liberal hand. A few drops of water will temper the whisky's richness, allowing more delicate and exotic scents to emerge.
