

## FLAMING HEART

Fifteenth Anniversary Limited Edition  
*Blended Malt Scotch Whisky*

'Every great achievement is the victory of a  
Flaming Heart.' – *Ralph Waldo Emerson*

Since we launched the *Compass Box Whisky Company* back in 2000, we have always aimed to experiment, to innovate and to explore where others wouldn't in the world of Scotch. No whisky is a greater example of this ambition than *Flaming Heart*.

First released in 2006, *Flaming Heart* was the first whisky to combine the rich, complex spice of Scotch aged in new French oak with the evocative peat-fired smoke of Islay malt. It created a genre-defying style that was smouldering, spicy, complex – and so popular that we re-released it three more times in the years that followed.

In this our fifteenth year, we felt compelled to revisit this unique style one more time. Our anniversary release is a huge, layered, long-lasting mouthful of a whisky to enjoy late into the night. Brooding, indulgent and older than ever before, this is a whisky born of oak, smoke and fire – with a big heart all of its own.

John Glaser, Whiskymaker
