

HEDONISM QUINDECIMUS

Fifteenth Anniversary Limited Edition

Blended Grain Whisky

'Everything in moderation, including moderation.'

— Oscar Wilde

Since we launched the *Compass Box Whisky Company* in 2000, we have always believed there can be a certain elegance in excess. Our first bottling – the original *Hedonism* – explored a brave new world of flavor previously uncharted in the world of Scotch. Eight years later, with *Hedonism Maximus* we used exclusively older, rarer whiskies in pursuit of the indulgent, unctuous, august pleasure that we knew only mature stock could deliver.

Flavour Descriptors

The combination of grain whiskies from different distilleries and of varying ages has created extraordinary complexity and juxtapositions of flavour. Indulgent yet lively, unctuous yet light, you will find a deep, sweet caramel coconut succulence combining with exultant tropical fruits.

Recommendations

Drink this whisky as any true Hedonist would – however you like it, whenever you feel like it and in whatever quantity you deem appropriate. We particularly enjoy Quindecimus paired with sweet desserts or Highland fudge.

In this our fifteenth anniversary year, we felt it was time to go back to where it all started for *Compass Box* and reinvent *Hedonism* once more for a very limited edition celebratory bottling.

Hedonism Quindecimus uses grain whiskies of varying ages from four distilleries to create a riotous, intergenerational celebration of all that the interplay between grain spirit and American oak can deliver. The joie de vivre of youth and complexity of age combine to create something seductive, mouth-coating and irresistible.

So join us in this, our fifteenth anniversary toast to all of you that have joined us on the journey since our first bottling. To fifteen years of joyful pleasure. To the thrill of exploration. And of course to the spirit of occasional, unabashed excess.
