# THE SPICE TREE

## Malt Whisky Collection

\*For batches bottled from March 2021 onwards, the proprietary 'Highland Malt Blend' used for The Spice Tree comprises approximately 60% malt whisky from the Glen Moray Distillery, 25% malt whisky from the Tomatin Distillery, and 15% malt whisky from the Balmenach Distillery. The 'Highland Malt Blend' in earlier batches used malt whiskies from the Clynesh, Teaninich and Daluaine distilleries.
